Drug Arrest Evictions

Councilmember Pepper requested an update on the process utilized by the Cincinnati Police Department to evict drug dealers. The process begins when a drug arrest occurs in a private residence. Within three days of the arrest, the Street Corner Unit sends a certified letter to the building owner advising the building owner that pursuant to City Code, the involved party can be evicted. The involved party often leaves without official order. If the involved party refuses to leave, Street Corner Detectives seek formal court eviction orders.

Graffiti Abatement

Information provided below is for the year 2002. Prior to this year, accurate tracking measures were not in place. Years prior were tracked only by total square footage abated. For years 1999, 2000 and 2001, the average annual square footage abated was 150,000+.

		LETTERS SENT	CITY ID'd	REC'D thru COMPLAINTS	TOTAL ABATED
2002	1st Qtr.	53	163	198	623
	2nd Qtr.	199	379	350	721

The new ordinance passed by City Council greatly simplified the abatement notice process. Now only one notice is required as opposed to multiple notices under the old system. Over 400 notices have been posted since the system was put into place. There is no backlog of locations waiting for right of entry forms, however there is a backlog of locations awaiting abatement.

Potholes Filled:

The Public Services Department provides a proactive service in filling potholes. The Department has two highly efficient "Spray Injector Portapatchers" (pothole filling machines) that patrol the east and west side of town. The crews operating these machines become very familiar with the poorer condition roadways and are able to seek out and fill potholes before they become hazardous and often time before they are reported to the City. The Department has a performance measure for this effort and in 2001 95% of all potholes were filled proactively and did not have to be reported by citizens.
